

Harbor Buster

Application	Specifications	
<p>The NOFI Harbor Buster (now called a Current Buster 2) is a containment tool that allows oil to be contained and collected at higher speeds or in rougher water. The Harbor Buster is towed by two vessels and is trailed by a third platform with a skimmer and portable storage. The Buster is inflatable and packs in a relatively compact aluminum travel box.</p>	Weight (lb)	1,700
	Deployed size (feet)	89' long
	Shipping dimensions (LxWxH)	96" x 49" x 51"
